Review Engagement Report

**To the Directors of
International Society of Addiction Medicine Inc.**

We have reviewed the statement of financial position of International Society of Addiction Medicine Inc. as at December 31, 2007 and the statements of operations and net assets, cash flows and statement of changes in net assets for the year then ended. Our review was made in accordance with Canadian generally accepted standards for review engagements and accordingly consisted primarily of enquiry, analytical procedures and discussion related to information supplied to us by the company.

A review does not constitute an audit and consequently we do not express an audit opinion on these financial statements.

Based on our review, nothing has come to our attention that causes us to believe that these financial statements are not, in all material respects, in accordance with Canadian generally accepted accounting principles.

International Society of Addiction Medicine Inc.
Notes to Financial Statements
(Unaudited)

December 31, 2007

1. Purpose of the Society

International Society of Addiction Medicine Inc. is a not for profit organization. The Society serves to promote education and an exchange of information with international communities working in the field of addiction medicine. The Society was incorporated under the Canada Corporations Act on November 9, 2000. The Society is a Not-for-Profit organization, and therefore is exempt from income taxes.

2. Significant Accounting Policies

The financial statements of the Society have been prepared by management in accordance with generally accepted accounting principles in Canada. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. The financial statements have, in management's opinion, been properly prepared using careful judgment with reasonable limits of materiality and within the framework of significant accounting policies summarized below.

(a) Revenue recognition

The society follows the deferral method of accounting for contributions.

Unrestricted contributions are recognized as revenue in the period received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted contributions are deferred and recognized in the period in which the related expenses are incurred. Other sources of revenue include donated services and are recorded on an accrual basis. Amounts pledged as future contributions are not recognized in the accounts.

(b) Equipment

Equipment is recorded at the lower of cost less accumulated amortization or net realizable value. Amortization is recorded using rates and methods designed to amortize the cost of the capital assets over their estimated useful lives, as follows:

Computer equipment 30% per annum

(c) Foreign currency transactions

Foreign currency balances are translated into Canadian dollars as follows:

At year end, the revenue and expenses are translated into Canadian dollars by the use of the average rate throughout the year. Balance sheet items are translated using the rate as at year end. The resulting foreign exchange gains and losses that arise from the difference between the average exchange rate and the rate as at year end are included in income for the year.

(d) Financial instruments

At December 31, 2007, all of the Society's cash was held at a recognized Canadian National financial institution. As a result, the Society is exposed to all of the risks associated with that institution. The fair value of the financial instruments approximates their carrying value due to the short term nature of the instruments.

International Society of Addiction Medicine Inc.
Notes to Financial Statements
(Unaudited)

December 31, 2007

3. Internally Restricted Funds

In the prior year the Society decided that a budgeted amount of \$45,000 USD (\$50,121 CAD), be moved from unrestricted to internally restricted net assets. The purpose of these funds is to be used in the eventuality of moving the Society's head office outside of Canada. The funds are still classified as internally restricted net assets as the Society is still planning to move its head office.

Additionally \$5,000 USD (\$4,957 CAD) has been moved from unrestricted to internally restricted net assets. These funds have been set aside for special projects that may required funding from present until 2010.

4. Equipment	2007		2006	
	Cost	Accumulated Amortization	Cost	Accumulated Amortization
Computers	\$ <u>1,205</u>	\$ <u>854</u>	\$ <u>1,205</u>	\$ <u>703</u>
Net book value	\$ 351		\$ 502	

5. Contribution Revenue

During the year, the Society was to receive funds in the amount of US \$18,181 representing 10% of the revenue in relation to the 2007 Cairo conference. As these funds have not been made available to the Society as of the date of this report and the time of actual receipt of the funds is uncertain, this amount has been excluded from revenue in the year and will be recognized when actually received.
